

Client Engagement Letter

I have engaged your firm to prepare my INDIVIDUAL / BUSINESS FEDERAL and STATE(s) income tax returns for the year ended December 31, 2024. This includes all 1040, 1041 (Estate / Trust), Gift/Inheritance, 1065 Partnership, 1120/1120S Corporations, and 990 Non-Profit Tax Return work and all necessary forms and documents to complete these returns. If Applicable, this may also include prior year tax returns that we need to prepare if you are providing multiple years at once.

In that regard I state that, to the best of my knowledge and belief:

1. I have provided true, correct and complete information regarding my income as listed on the attached W-2, 1099 and/or attached written summaries. I understand that it is my responsibility to provide all the information necessary to complete the returns and it is your responsibility to prepare only the returns I ask you to prepare. I will retain for 5 years all the documents, receipts, canceled checks and other records required to substantiate the items of income and expense claimed on my return.
2. I have provided true, correct and complete information regarding the amount I have provided to you to claim as tax deductions, and have maintained written documentation supporting all amounts, including logbooks and receipts. I understand that if a question arises regarding the interpretation of tax law, and a conflict exists between the tax authorities' interpretation of the law, and other supportable positions, that you will use your professional judgment in resolving these issues, as long as it is consistent with codes and regulations that have been promulgated.
3. I understand that taxing authorities may examine the returns, that documentation should be retained to support the information provided to you, especially business travel & entertainment deductions, business use % of autos and other assets, and barter activities, and that penalties may be imposed on returns that are late, underpaid or incorrect.
4. I understand that you will not audit or otherwise verify any information, that you may require clarification or additional information, that you are not responsible for disallowed deductions, or the inclusion of additional unreported income or any resulting taxes, penalties or interest.
5. I understand that I will be **charged an additional fee if you are asked to assist or represent me in a tax examination or inquiry**. I understand that, in the event of preparer error, the taxpayer is responsible for additional tax due.
6. I will contact you immediately if I discover additional information that will lead to a change in my return, or if I receive any letter from the IRS or state taxing authorities and understand that an amended tax return may lead to extra accounting fees.
7. I understand that your bill will be due and payable upon completion of these returns, and that additional services will not be performed until the bill for these services is paid in full. I understand that your bill will be based upon the services I request with your firm.
8. I have not employed any household help that would be subject to payroll taxes.
9. I understand that you will not file federal, state, or local tax extensions without my specific written request to do so.
10. We will attempt to return all original source documents to you. We routinely copy and/or scan some supporting documents, but I understand that I am the custodian of my records, and I cannot rely on your office to maintain support for my tax return and should keep a copy of all records for my records.

11. I understand that there may be elections and decisions in your return, which could be challenged by the taxing authorities. As your tax preparer we are required by law to disclose any positions on a return for which it is likely to be challenged. Tax law is ever changing. It is possible that you may be assessed additional tax, interest, or penalties. While we strive for accuracy, we are not responsible for penalties or interest incurred due to errors or omissions resulting from incomplete, late or inaccurate information provided by you
12. For Small Business Clients - In addition to tax compliance and preparation, we offer business services such as sales tax filing, payroll processing, bookkeeping, business formation, and other advisory or compliance services tailored to your needs. If you engage us for these services, the principles outlined in this engagement letter—including your responsibility to provide accurate and timely information, our duty to maintain confidentiality, and the scope of our liability—will apply equally. For example, you are responsible for ensuring the accuracy of information provided for payroll, sales tax filings, or bookkeeping, as well as maintaining appropriate records and compliance with applicable laws. The specific terms and fees for these services will be communicated separately if applicable, and by signing this letter, you acknowledge and agree to these terms for any additional services provided.

If there are other services or tax returns that I expect you to prepare, I will communicate them to you in a timely manner.
